

TERMS AND CONDITIONS

GIRTON SPRING BALL 2016 TICKETS

I: General

1. This document lays out the Terms and Conditions for the purchase of tickets to the Girton Spring Ball 2016 (hereinafter referred to as “the Ball”). The Ball taking place on Friday 11th and Saturday 12th March 2016 will be subject to the conditions laid out below.
2. This agreement is between the principal ticket purchaser (hereinafter referred to as the “ticket applicant” until the application is successful and the “ticket holder” thereafter) and the Girton Spring Ball 2016 Committee (hereinafter referred to as “the Committee”).
3. If the ticket applicant is purchasing tickets for guests as well as themselves, then the ticket applicant also submits to this agreement on behalf of all guests on their application. If the ticket applicant’s application is successful, the ticket applicant’s guests will then constitute ticket holders. It is the responsibility of the ticket applicant to bring these terms and conditions to the attention of their guests prior to the submission of an application.
4. In this document, unless the context otherwise requires, the headings are inserted for convenience only and shall not affect the interpretation of this agreement.
5. In this document, unless the context otherwise requires, words in the singular include the plural and vice versa, and words in one gender include any other gender.
6. Failure to adhere to these terms and conditions can lead to, amongst other things, an application being refused or voided, tickets being cancelled, entry to the Ball being refused, or the ticket holder being ejected from the Ball.

2. Ticket discounts or discounted upgrades may be extended at the discretion of the President.
3. A ticket application containing incorrect or misleading details will be automatically void. Such an application may be amended at the discretion of the President.
4. Tickets can be applied for online by any current member of Girton College and by any Girton College Alumni member from 21:30 on Thursday 22nd October 2015. Tickets available from this time will be allocated on a first-come, first-served basis.
5. Tickets can be applied for online by any current member of the University of Cambridge from 21:30 on Friday 23rd October 2015. Tickets available from this time will be allocated on a first-come, first-served basis.

7. Girton College Alumni will receive an e-mail outlining the process that must be followed in order to purchase a ticket for the Ball. Girton College Alumni will receive a unique code that must be used as part of their application through the ticketing system to verify their Girton College Alumni status. Failure to use this code and/or any misuse or falsification of codes will result in a Girton College Alumni member's ticket application and/or purchase being rejected.

V: Ticket Payment

1. Confirmation of the ticket application will be generated by e-mail and the Committee will supply the ticket applicant with a unique application ID, which the ticket applicant is strongly advised to keep and not to disclose to anyone.
2. Payment must be made by Girton College Bill (for current members of Girton College) or by bank transfer (for all other ticket applicants).
3. If payment is made by bank transfer, a single bank transfer for the total value of all tickets for which an application was submitted, including any charitable donation(s), must be paid into the Girton College Ball bank account, using the payment reference provided in the confirmation e-mail as the reference for the payment. Failure to comply with these requirements may lead to the ticket application being rejected or the Committee being unable to guarantee that the payment made can be associated with the correct application. In this situation, the Committee may still require payment without being able to refund the invalid payment. The Committee's bank account details are as follows: name (Girton College Ball), sort code (08-92-99), account number (65365531).
4. Payments made by bank transfer must reach the Committee's bank account no longer than 72 hours after completion of a ticket application. Failure to comply with these requirements may lead to the ticket application being rejected.
5. Payments received more than 72 hours after a ticket application has been submitted shall not qualify as payment for the tickets applied for and the ticket application will be rendered void, subject to the discretion of the President.
6. In situations where a ticket applicant pays a higher total into the Committee's bank account than the full value requested by the Committee upon submission of the ticket application, the ticket applicant may request a refund for the overpayment, but the Committee will reserve the right to charge an administration fee for refund of this payment. This administration fee will be selected by the Committee and may have any value, but the value shall not exceed the total amount paid into the account by the individual.
7. The contract between the Committee and the ticket applicant is only complete after the ticket applicant's payment has been confirmed to have arrived in the Committee's bank account and has been processed. The ticket applicant will receive confirmation by e-mail once this is the case.
8. Ticket applicants purchasing tickets via the Committee directly will receive an e-mail confirming the application from the Ticketing Officer as soon as possible.
9. Any other matters relating to ticket purchases will be dealt with at the discretion of the Ticketing Officer and the President.

VI: Ticket Transfers and Refunds

1. Tickets can be transferred or refunded free of charge for a period of up to seven days following submission of a ticket application through the ticketing system.
2. Tickets are non-transferable and non-refundable from seven days after submission of a ticket application through the ticketing system.
3. If ticket payment is or will be made by Girton College Bill, then after seven days from submission of a ticket application, the ticket applicant is bound to making payment for the full amount to the Committee.
4. In cases where the President deems the circumstances appropriate, a ticket can be transferred to another name subject to the transferee fulfilling the conditions laid out herein for eligibility. There

will be a standard £20 charge per ticket for such transfers, inclusive of any other change of details such as, but not limited to, address. The Committee reserves the right to increase this charge at its discretion.

5. In situations where an individual incorrectly pays funds into the Committee's bank account and requires a refund, the Committee reserves the right to levy an administration fee of their choosing to refund this payment to the individual. This administration fee will be selected by the Committee and may have any value, but the value shall not exceed the total amount paid into the account by the individual.
6. Any request for ticket transfers or to submit ticket cancellations can be made using the ticketing system at <http://tickets.girtonball.co.uk/namechange.php>.
7. There will be no ticket transfers or refunds after 23:00 on Friday 4th March 2016; however, exceptions to this deadline may be permitted at the discretion of the President and an additional fee may be levied.

VII: Special Requirements

Although the Committee will aim to accommodate these preferences, fulfilment of requests cannot be guaranteed.

3. Before admission to the Ball is allowed, ticket holders must present their valid ticket, along with photographic identification. The only acceptable forms of photographic identification are an EU driving licence or any passport. Ticket holders without a valid ticket or piece of photographic

identification will not be admitted to the Ball; University cards are not acceptable identification for admission to the Ball.

4. Ticket holders will not be permitted to leave and then re-enter the Ball. Ticket holders leaving the Ball before 05:00 will have their wristband removed and destroyed.
5. Admission and exit will only be via the Main Entrance to Girton College, Huntingdon Road, accessed via Tower Drive.
6. Queuing procedures for admission to the Ball will be communicated by e-mail from the Committee and will be adhered to by ticket holders.

X: Safety and Security

1. The Committee reserves the right to eject any person from the Ball and to take whatever further action that they deem appropriate. Grounds for such exclusion include, but are not limited to: violent, loud, indecent, illegal or immoral behaviour, excessive intoxication, possession of illegal drugs or any other breach of these terms and conditions. A further ground for ejection is where the Committee and/or its duly authorised representatives have reasonable grounds to believe that a ticket holder may have committed or may be about to commit a criminal offence or has engaged or is engaging in other such activities that the Committee deems to be unacceptable.
2. The Committee accepts no liability for lost, damaged or stolen belongings of ticket holders or for financial compensation to the ticket holder if they are removed from the Ball or denied entry to the Ball.
3. There will be cloakroom facilities at the Ball for ticket holders. The Committee accepts no responsibility for any loss, theft or damage to any personal property of ticket holders left within the cloakroom.

Ticket holders must wear their wristband throughout the duration of the Ball, and must present it to any member of the Committee or any person employed in administering and supervising the Ball who requests them to do so. Any person found present within the Ball site without a wristband at any time during the Ball may be ejected from the Ball.

XI: Data Protection

1. By submitting an application for tickets, the ticket applicant agrees to have their details stored electronically. The details will not be passed on to any third party unless required by English law and shall remain confidential. A register of Ball attendees' names may be passed to security contractors for event safety and security. For the purposes of legal defence, data will be stored for 15 years after the Ball and then destroyed.
2. The Committee reserves the right to take photographs and video footage of the event for promotional and/or legal purposes. If a ticket holder would prefer not to have their photograph taken, the Ticketing Officer (ticketing@girtonball.co.uk) must be informed no later than 72 hours prior to the commencement of the Ball.
3. The taking of photographs and/or video/tape recordings for recreational and/or personal purposes is allowed, however recordings for all other purposes are absolutely prohibited. Persons considered by the Committee to be making prohibited recordings may be asked to refrain from doing so and, upon refusal, may be ejected from the Ball. In such circumstances, no refund will be given. Notwithstanding the terms of this section, the Committee reserves the right to prevent ticket holders from taking photographs and video/tape recordings even for personal use if this is deemed necessary for legal/contractual purposes by the Committee. This request would be made clear to ticket holders on the night of the Ball. If such a request is made and is not adhered to by a ticket holder, the provisions of this document relating to expulsion will apply.
